

Creating e-Books with Clicker 5

1 Select a **Book Making** template:

1. Start Clicker 5, or click  **Explorer**, to view Clicker Explorer.
2. Select **Create new Grid Set** in the **Clicker 5 Tasks** pane.

3. Double-click on **Book Making**.
4. Double-click on **Landscape 12** and click **Create**.

2 Add a title: Shift-click on **Title**, type **At the Beach**, and press the Enter key.

3 Go to Edit Mode: open the **Edit** menu and select **Edit Mode**.

4 Add a picture:

1. Select  **Pictures** from the **Clicker 5 Editing Tools** to show the Picture Palette.
2. Double-click on **Crick Picture Library 2** and then double-click on the **Beach** folder.
3. Hold down the Shift key and drag a picture to the large blank cell on the front cover of your book.
4. Select **Close** on the Picture Palette.

To make the picture transparent:

1. Right-click on the picture cell (Mac: Ctrl-click) to view a pop-up menu.
2. Select **Properties** from the pop-up menu.
3. Click on the white button next to **Background Color** and select **Transparent**.
4. Deselect the **Show Border** box.

5 Add the author's name: Shift-click on the blank cell at the bottom of the front cover, type "by" followed by your name, for example "by Deb Barrows", and press the Enter key.

6 Select the forward arrow to go to the next page of the book. Add another picture in the same way as for the front cover. To add text to the page, Shift-click on the text box, type your text, and click outside the text box.

To record your voice, select the  **Microphone** button and then select the  **Record Sound** button. Select  **Stop** when you've finished, and then select  **Close**. You can then hear what you've recorded by selecting the  **Listen** button.

7 Save your book: open the **File** menu and select **Save Grid Set As**, enter a name for your Grid Set, for example "debbeach", and select **Save**.

8 Select the forward arrow and complete the other pages of the book. When you've finished, go to Run Mode: click on the in the top corner of the **Clicker 5 Editing Tools**.

Remember to save your Grid Set!
